## TOUR COST AND HOW TO BOOK

### **Tour Cost**

*The tour cost includes:*

Road transfers by minibus

Full board accommodation

Site entrance fees

Gratuities on land

Harbour fees and crew services

Daily excursions accompanied by an expert guide.

All mineral water, tea and coffee are included. Wine is included with dinner on our scheduled trips (not private charters), other drinks are extra. On board the boat there is a reasonably priced bar for guests' use. Bar bills can be settled with the crew at the end of the trip.

*Not included:*

Flights and airport taxes

Visas

Travel insurance

Gratuities on the boat (it is customary to tip the crew at the end of the tour. We recommend a tip of about £5 per passenger per day).

### **Passports and Visas**

You will need a passport which does not expire less than six months after the end of your holiday. For Turkey, 3 month visas for UK nationals cost £10, and visas for US nationals cost \$20. Visas can be bought easily at your arrival airport in Turkey. Initial applications either in the US or UK are not required. UK and US nationals do not require visas to enter Greece.

### **Health**

Guidelines laid down by the UK Department of Health say you do not require any specific inoculations for the parts of Turkey and Greece covered in these tours.

### **Safe with us - Payment protection**

Your money is fully protected in accordance with the UK's "Package Travel, Package Holidays and Package Tours Regulations 1992". In order to provide clients with peace of mind we have a policy with IGI Insurance Company Ltd to ensure that all passengers booking with us are fully protected for their initial deposit and balance payments made, in the unlikely event of cancellation or curtailment of your travel arrangements due to our insolvency.
